April 28, 2020

Dear RUSD Families and Community,

We hope you and your family are staying healthy and doing well during these trying times. The impacts of Coronavirus (COVID-19) are testing us all in ways we never imagined. We are deeply appreciative of your patience and understanding. Below are a few key updates for this week.

High School Graduation
The Senior Class of 2020 has been significantly impacted by the school closures that extend well past the end of the normal school year. The Board of Education and RUSD staff have thoughtfully weighed all options on how to conclude the school year for our Seniors.

RUSD Board of Education committed to the following to commemorate the Class of 2020:

1. A virtual graduation ceremony
2. A live, in-person celebration (when permissible by Riverside County Health Department)

More detailed information on the virtual graduation ceremony will be provided during the week of May 4, 2020.

Tutoring Update
Live academic tutoring sessions begin this week for all TK-12th grade students. Schedules vary by site and can be found by visiting your school’s website. Sessions are in two-hour blocks. However, students do not need to attend for the entire time. Support provided is based on student questions.
