DR. RATMONY YEE
PARENT / EDUCATOR

Dr. Ratmony Yee currently serves the Riverside Unified School District in the role of Director IV, Curriculum and Assessment. She has 23 years of experience as an educator working in a variety of public settings with diverse student populations from K-12 to college. As an immigrant and survivor of the Cambodian Holocaust, Dr. Yee believes that as keepers of the vision of multiculturalism and democracy, our public schools hold the responsibility of ensuring quality teaching for all students. These include native born and immigrant students who are entitled to

full access to excellence and equity in educational opportunities at all levels. This continues to be her purpose and calling.
